

INDUSTRIAL DEGREASER FG

HEAVY DUTY NON-CHLORINATED CLEANER

Industrial Degreaser FG is an excellent general purpose solvent degreaser, formulated for use in the food/ beverage industry to tackle “difficult” degreasing applications.

Industrial Degreaser FG is an innovative solvent blend that is excellent for use where rapid turnaround is necessary and low flash point solvents can be used. Dissolves and removes greases, oils, lubricants, adhesives and contaminants from equipment, machinery, motors and metal parts.

Industrial Degreaser FG cuts through dirt and grease and has a fast evaporation rate to minimise downtime, leaving no residues. Easy “in place” cleaning with minimal odour. Non-corrosive and non-staining.
