

## CRC COCKPIT SHINE

Ref. : 10500

### 1. GENERAL DESCRIPTION

---

Cleans and renovates plastics and rubbers.

The use of Cockpit Shine forms a protective barrier against colour fading and hardening caused by the penetration of ozone, U.V. rays and oxygen.

### 2. FEATURES

---

- Cleans plastic and rubbers.
- Polishes and shines dashboards, bumpers, spoilers, vinyl roofs, upholstery, etc...
- Renovates car interiors.
- Removes stains and nicotine from car interiors.
- Harmless to the rubbers and plastics usually applied in car interiors. Test on a small area before using on very sensitive plastics, adhesive mounted or stressed parts.

### 3. APPLICATIONS

---

- Dashboards
- Vinyl tops
- Bumpers
- Spoilers
- Vinyl upholstery parts

### 4. DIRECTIONS

---

- Wipe the gray side of the sponge over the surfaces you want to treat.
- Do not use on steering wheel, gear stick or pedals.
- Excess of product on the car interior can best be removed with water and detergent.
- Do not use on energized equipment.
- A safety data sheet (MSDS) according to EU directive 93/112 is available on all CRC products.

### 5. TYPICAL PRODUCT DATA (without propellant)

---

Sponge	Polyethylene 30 top + Polyeter bottom
Impregnation	Silicon Emulsion

### 6. PACKING

---

Spronges in a plastic blister bag

All statements in this publication are based on service experience and/or laboratory testing. Because of the wide variety of equipment and conditions and the unpredictable human factors involved, we recommend that our products be tested on-the-job prior to use. All information is given in good faith but without warranty neither expressed nor implied.

This Technical Data Sheet may already have been revised at this moment for reason such as legislation, availability of components and newly acquired experiences. The latest and only valid version of this Technical Data Sheet will be sent to you upon simple request or can be found on our website: [www.crcind.com](http://www.crcind.com).

We recommend you to register on this website for this product so you will be able to receive any future updated version automatically.
